

NIPSCO[®] Energy Efficiency Rebate Program

Energy savings made simple

Stop wasting energy and money

Choosing energy-efficient equipment has never been easier, thanks to NIPSCO's Energy Efficiency Rebate Program. You can earn rebates on a variety of energy-saving equipment and improvements, including:

- Furnaces
- Boilers
- Programmable thermostats
- Ceiling fans
- And more!

Who is eligible to participate?

Rebates are available for NIPSCO residential natural gas and electric customers who are replacing existing equipment. To verify eligibility, please contact a program representative at **1-800-721-7385**.

Instant Discount Option

Reduce your out-of-pocket cost by receiving your rebate at the time of purchase. Ask your contractor if they offer the Instant Discount option.

Submit an application

Rebates are available for the purchase and installation of qualifying equipment or services (see reverse side) between January 1, 2014 and December 31, 2014. Program applications must be completed and submitted within 60 days of installation. Please submit your application one of three ways:

- Mail application to:

NIPSCO Energy Efficiency Rebate Program
3100 West Rd., Building 3, Suite 200
East Lansing, MI 48823

- Email application to **RebateProgram@nipsco.com**
- Fax application to **517-580-5123**

Learn more

For more information, contact the Energy Efficiency Rebate Program at **1-800-721-7385** or visit **NIPSCO.com/Rebates** to download a rebate application.

NIPSCO[®]

What rebates are available?

Energy savings made simple

Available rebates

Rebates are available for the purchase and installation of the following equipment or service between January 1, 2014 and December 31, 2014 within 60 days of installations.

Rebates for **natural gas** customers:

Natural gas equipment	Rebate
