NOTICE OF 30-DAY FILING

On or about August 27, 2012, a Renewable Power Purchase Agreement ("PPA") between Northern Indiana Public Service Company and Brent E. Martin will be submitted to the Indiana Utility Regulatory Commission for approval under its 30 -Day Filing procedures, 170 IAC 1-6-1, et seq. and its July 13, 2011 Order in Cause No. 43922. The only customer affected is Mr. Martin, who will retain certain environmental attributes attributable to the operation of the methane capture and generation system if the PPA is approved. An Order approving the PPA is anticipated at least thirty days after the August 27, 2012 filing date. Any objection to the filing should be directed to (a) the Secretary of the Indiana Utility Regulatory Commission, PNC Center, 101 West Washington Street, Suite 1500 East, Indianapolis, IN 46204 or (b) the Indiana Office of Utility Consumer Counselor, PNC Center, 101 West Washington Street, Suite 1500 South, Indianapolis, IN 46204.
