

Current PRODUCT CONTENT LABEL¹

This product matches the percentage of your electricity usage selected at enrollment. The product will be made up of the following new renewable resources averaged annually.
Current Product Content July 1 to December 31, 2014

Green-e Energy Certified New² Renewables in NIPSCO Green Power Rider (Rider 686)		Generation Location
-Biomass	0%	
-Geothermal	0%	
-Small or low impact hydroelectric ³	0%	
-Solar	0%	
-Wind	100%	Midwest Region
Total Green-e Energy Certified New Renewables	100%	
-Other Renewables	0%	
-Large Hydroelectric	0%	
-Coal	0%	
-Natural Gas	0%	
-Oil	0%	
-Other	0%	
Total	100%	

1. These figures reflect the renewable energy credits power source of generation that we have contracted to provide. Actual figures may vary according to resource availability. We will report to you the actual resource mix of the electricity renewable energy credits you purchased during the preceding Year.

2. New Renewables come from generation facilities that first became commercially operational within the last 15 years.

3. Eligible hydroelectric facilities are defined in the Green-e Energy National Standard (http://www.green-e.org/getcert_re_stan.shtml) and include facilities certified by the Low Impact Hydropower Institute (LIHI) (www.lowimpacthydro.org); facilities that are run-of-the-river hydropower facilities with a total rated nameplate capacity equal to or less than 5 MW; and facilities comprised of a turbine in a pipeline or a turbine in an irrigation canal.

For comparison, the current average mix of resources supplying NIPSCO includes: Coal (73%), Natural Gas (21%), Hydroelectric (0.15 %), Wind (0.35) and Other (5.5 %). Source: NIPSCO 2011 IRP- Net Electric Generation by Fuel

For specific information about this electricity product, please contact NIPSCO, 1-800-464-7726, www.nipSCO.com.

Green-e Energy certifies that Green Power Rider (Rider 686) meets the minimum environmental and consumer protection standards established by the non-profit Center for Resource Solutions. For more information on Green-e Energy certification requirements, call 1-888-63-GREEN or log on to www.green-e.org.

Historic PRODUCT CONTENT LABEL¹

This product matches the percentage of your electricity usage selected at enrollment. The product will be made up of the following new renewable resources averaged annually. Previous 6 month Product Content January 1, 2014 to June 30, 2014

Green-e Energy Certified New² Renewables in NIPSCO Green Power Rider (Rider 686)		Generation Location
-Biomass	0%	
-Geothermal	0%	
-Small or low impact hydroelectric ³	0%	
-Solar	0%	
-Wind	100%	South Dakota and/or Iowa
Total Green-e Energy Certified New Renewables	100%	
-Other Renewables	0%
