How do I terminate this relationship?

To request termination of the landlord/tenant relationship, it is required that you fax notification to us listing the addresses you would like removed. Please note, selling your property does not end the landlord/tenant relationship. You must notify NIPSCO via fax to 1-866-248-7296 and request the Landlord/Relationship be cancelled and supply the property address.

What do I do if I sell my property?

The Landlord/Tenant relationship should be terminated if you sell your property by notifying NIPSCO via fax to 1-866-248-7296 with a listing of the property(ies) that were sold. Failure to notify NIPSCO will result in services being transferred into your name every time a tenant at the property calls to disconnect service.
