

NOTICE OF 30-DAY FILING

On or about November 21, 2011, Northern Indiana Public Service Company (“NIPSCO”) will submit to the Indiana Utility Regulatory Commission for approval under its 30 -Day Filing procedures, 170 IAC 1-6-1, *et seq.* a revised Renewable Feed-In Tariff and associated Renewable Power Purchase Agreement. The referenced filing will consist of NIPSCO’s proposed amendment to slightly modify its Renewable Feed-In Tariff and to revise the standard form of Power Purchase Agreement, both of which were approved in Cause No. 43922. The revisions are expected to impact all Customers that operate a Qualifying Renewable Energy Power Production Facility, such as wind, solar, biomass or new hydro that participate in NIPSCO’s Feed-In Tariff. A decision on the 30-Day Filing is anticipated at least thirty days after the November 21, 2011 filing date. Any objection to the filing should be directed to (a) the Secretary of the Indiana Utility Regulatory Commission, PNC Center, 101 West Washington Street, Suite 1500 East, Indianapolis, IN 46204 or (b) the Indiana Office of Utility Consumer Counselor, PNC Center, 101 West Washington Street, Suite 1500 South, Indianapolis, IN 46204.
