

ELECTRIC UPGRADES IN YOUR NEIGHBORHOOD

WHERE WE WILL BE WORKING:

Area of Electric Upgrade
(not to scale and subject to change)

WORK ZONE SAFETY TIPS:

- There may be temporary lane closures. Look for lane closure signs.
- Drive with caution around our work zones. Follow the direction of traffic signs and on-site crew. We will do our best to keep traffic flowing whenever possible.
- Keep your family and pets safe by staying away from construction areas.

MORE INFORMATION:

- Look for door hangers on your front door and/or additional information in your mailbox that may have project updates.
- Talk with members of our team on site during the project.
- Contact us at 1-800-4-NIPSCO (1-800-464-7726). *Please reference Valparaíso - South aven electric upgrade when calling.*
