

NOTICE OF 30-DAY FILING

On or about June 4, 2014, a Renewable Power Purchase Agreement ("PPA") between Northern Indiana Public Service Company and Zimmerman Energy LLC ("Zimmerman") will be submitted to the Indiana Utility Regulatory Commission for approval under its 30-Day Filing procedures, 170 IAC 1-6-1, *et seq.* and its July 13, 2011 Order in Cause No. 43922. If the PPA is approved, the only customer affected is Zimmerman, which provides that (1) three phase electricity includes alternating current at a voltage of 69,000 volts, (2) includes a Maximum FIT Sale up to 2.03 MW, and (3) other changes to the approved standard form as required to provide reference to a Generator Interconnection Agreement executed by and between Zimmerman and the Midcontinent Independent System Operator, Inc. An Order approving the PPA is anticipated at least thirty days after the June 4, 2014 filing date. Any objection to the filing should be directed to (a) the Secretary of the Indiana Utility Regulatory Commission, PNC Center, 101 West Washington Street, Suite 1500 East, Indianapolis, IN 46204 or (b) the Indiana Office of Utility Consumer Counselor, PNC Center, 101 West Washington Street, Suite 1500 South, Indianapolis, IN 46204.
