

Payment assistance options available for NIPSCO customers

We always care about our customers and are here to assist those affected by the federal government shutdown.

During this time, customers directly impacted by the federal government shutdown could be eligible for payment assistance.

If you are affected government employee in need of assistance, call NIPSCO at **1-800-4NIPSCO** (1-800-464-7726) to discuss your situation.

For any NIPSCO customers who need help paying their bill, we offer options including:

- Payment Plans - Plans to help make home energy costs more manageable
- Low-income energy assistance programs available through local agencies
- Budget Payment Plan - This program allows you to pay about the same amount each month based on usage, weather and projected costs
