NIPSCO[®]
A NiSource Company

Less than \$3 per month to receive 100% renewable energy*

NIPSCO's Green Power Program helps encourage the development of renewable energy by providing power generators, such as wind farms, an additional source of revenue.

It's also possible to choose to receive 25% or 50% of your electricity from renewable sources. The cost difference for Green Power is passed along to participating customers without any markup from NIPSCO.

*Based on average monthly electric usage of 1,000 kWh. Green Power fee will be added to your existing monthly bill.

Enrolling is easy! Take a few minutes to start receiving renewable energy

Online: Enrolling online is fast and easy, visit [NIPSCO.com/Green](https://www.nipSCO.com/Green)

Phone: Call **800-464-7726** and choose option 4, then option 6.
