THE CHOICE IS YOURS

NIPSCO Choice Program
Designed to meet your energy needs

NIPSCO[®]
A NiSource Company

Take Control Of Your Gas Bill. It's Your Choice.

NIPSCO Choice is a voluntary program that gives you the opportunity to choose your natural gas supplier. We know that consumers like to shop around for competitively priced products and services, and this program gives you the same opportunity for your energy needs.

NIPSCO is currently the only utility in Indiana offering such alternative supplier options to all its natural gas customers.

How It Works

As a NIPSCO customer, you have the option to purchase your natural gas from a list of participating suppliers. If you choose to participate in NIPSCO Choice, NIPSCO will continue to deliver the gas to your home or business through our existing pipeline system, both safely and reliably, regardless of who supplies your natural gas.

By law, NIPSCO must pass the price we pay for natural gas onto you dollar-for-dollar, with no markup. We do not make money on the sale of natural gas.

You may enroll in the program at any time, and more information can be found under the “Our Services” section of **NIPSCO.com**.

How To Enroll

- Review the list of Choice Suppliers at **NIPSCO.com** and choose the suppliers you would like to contact.
- For your convenience, you can compare current pricing and plan offerings from the Choice Suppliers by visiting the NIPSCO Choice Program online under the “Our Services” section of **NIPSCO.com**.
- Call the Choice Suppliers and ask about their offers. Be sure to ask any other questions that you may have.
- Choose the Choice Supplier that offers the best package for you, your family, or your business. Keep in mind that your account number is confidential. Only share this information with the Choice Supplier you have chosen.

Important Things To Consider

- The NIPSCO Choice program does not mean guaranteed savings.
- Review all contract terms and conditions before entering an agreement with a Choice Supplier.
- Early termination fees may apply.
- NIPSCO’s current gas prices are listed in the Detail Charges section of your bill—below Total Charges for Gas Service.
- Some Choice Suppliers market their product door-to-door. Ask for identification from the Choice Supplier if you should have any question about whether or not the individual is a participating supplier, or please contact us at **1-800-4-NIPSCO (800-464-7726)** to verify.
