

## Home Energy Assessment - Authorization Form

The account holder must complete and sign this form including the Pre-Assessment Agreement prior to the Trade Ally beginning the Home Energy Assessment (HEA). If the account holder does not own the property, the owner or landlord must also sign and return this form before an HEA can be scheduled. Owner or account holder must sign the Post-Assessment Agreement once the assessment is complete. The Trade Ally will submit this form with all other required documentation after the assessment is complete.

Once this form has been completed and signed by the account holder and/or property owner, please return to NIPSCO's Residential Energy Efficiency Program using the contact information at the end of this form.

### Property Owner or Landlord Information

Owner/landlord's first name:	Owner/landlord's last name:
Owner/landlord's phone number:	Owner/landlord's email address:

### Account Information (where HEA will take place)

NIPSCO account holder's first name:	NIPSCO account holder's last name:		
Service address (of property):	City:	State:	Zip code:
NIPSCO account number:	NIPSCO account holder's phone number:		
NIPSCO account holder's email address:			

By signing this HEA Authorization Form, I give permission to NIPSCO's third party implementer, Lockheed Martin Energy and/or its program approved Trade Allies, to conduct work as an independent contractor of Lockheed Martin and to enter the above noted Property for the purpose of performing an HEA. Based upon the observations made during the HEA and the NIPSCO service provided at the home, Lockheed Martin Energy or its Trade Ally may perform and/or install any, all, or none of the following energy-saving home measures (the "Work") at no cost to the property owner or account holder. HEA measures may include:

- ENERGY STAR® certified LED light bulbs (interior and/or exterior)
- Water heater pipe wrap
- Energy-efficient showerheads
- Energy-efficient faucet aerators
- Duct sealing
- Furnace filter whistle

Optional add-on measures: Based on the findings of the HEA, the property owner or landlord may pursue add-on measures at a later date. Add-on measures are incentivized at pre-determined, per-unit rates which may be up to the total cost of the measure. A list of add-on measures can be provided by the Trade Ally. Pursuing add-on work is at the sole discretion of the property owner or landlord. If the property owner or landlord choose to implement insulation more than 30 days after the HEA was conducted but before the end of the 2019 program year, a program-approved HEA contractor must be used and an instant discount incentive will be provided on the invoice. Qualified customers (i.e. property owner or landlord) may receive up to a \$700 instant discount off the contractor invoice when they upgrade their attic insulation. Residences are eligible if the current attic insulation is R-11 or lower and is increased to a level of R-38 or higher. The customer (i.e. property owner or landlord) can choose any program approved insulation contractor.

### Pre-Assessment Agreement

I understand that the specific items to be installed from the HEA measure list will be set forth in the Comprehensive Home Assessment (CHA) Report upon completion of the HEA and I hereby authorize the Trade Ally to install, at no cost to me, the selected energy-saving measures at my property, as recommended in the CHA Report.

I understand that NIPSCO, Lockheed Martin Energy, and/or its Trade Allies do not offer warranties on any installed equipment or measures. Individual measures may have manufacturer warranties in effect, and making

claims under any manufacturer warranties is the sole responsibility of the property owner or landlord. Trade Allies may choose to offer warranties on add-on insulation measures, but that is at the sole discretion of the Trade Ally.

In consideration of the HEA and any Work provided without charge to me, or optional add on measures, to the extent permitted by law, I agree to indemnify, hold harmless, release and waive any and all claims against NIPSCO and Lockheed Martin Energy with respect to claims or actions that relate to or arise from the HEA, CHA Report, the measures, or the Work.

I understand that actual energy savings may differ from those estimated on the CHA Report due to variations in individual energy use habits, home characteristics, and any applied energy-efficient measures. Energy savings are not guaranteed. By participating in the HEA Program, I agree to participate in any audit requested by NIPSCO or Lockheed Martin Energy as it pertains to the HEA program.

As part of the NIPSCO Residential Energy Efficiency Program's commitment to achieve realized electric and natural gas energy savings, all projects are subject to random inspections. If this service address is chosen for a random inspection, an inspector will visit the residence, ask several questions, and perform a verification. Photos may be taken of the Work performed.

The following section must be completed before the assessment begins. By signing below, I agree to and accept the terms of this Authorization Form, including the Pre-Assessment Agreement section.

**Account Holder Signature**

Account holder's signature:	Date:
-----------------------------	-------

Print account holder's name:

**Property Owner or Landlord Signature (must be completed if account holder is a tenant)**

Owner/landlord's signature:	Date:
-----------------------------	-------

Print owner/landlord's name:

The following section must be completed **after** the HEA is conducted.

**Post-Assessment Agreement**

All measures included in the CHA Report were adequately installed at the service address. I understand that by having an HEA conducted at my home, this service address will not be eligible for another HEA for a term of three years. I also understand that if this service address is eligible for insulation, I may visit [NIPSCO.com/HEA](http://NIPSCO.com/HEA) for a list of program-approved insulation contractors so I may select a contractor.

**Property Owner or Account Holder Signature**

Owner/account holder's signature:	Date:
-----------------------------------	-------

Print owner/account holder's name:

Please provide this completed and signed form to your HEA Trade Ally. In the event of a tenant requested HEA, the tenant and property owner or landlord must complete, sign and return this form in advance of scheduling the HEA.
