GENERAL TERMS AND CONDITIONS OF SERVICE (Continued)

To the extent that the Company has the necessary Mercury Vapor and High Pressure Sodium materials, the Company will continue to support and maintain existing Mercury Vapor and High Pressure Sodium lamp installations in accordance with this tariff. If the necessary Mercury Vapor and High Pressure Sodium materials are not available for repairs, a LED Lamp will be installed and replace the existing Mercury Vapor or High Pressure Sodium lamp. All installations of new fixtures occurring on or after January 1, 2021 will use one of the LED technology options.

Underground service is available, provided, that the Customer shall pay to the Company a sum equal to the estimated cost of constructing such underground service line to supply electric Energy to the outdoor lighting fixture. The facilities owned by the Company in this Rate Schedule apply to wood-pole mounted lighting.

Any Customer requesting service under this Rate Schedule shall apply for such service for an initial period of 18 months, and such service shall continue from month to month thereafter unless cancelled by either party giving the other 60 days' prior written notice of the termination of such service at the end of the initial period or any monthly period thereafter. Fixtures will not be installed until after receipt of a signed agreement. NIPSCO account(s) and NIPSCO Dusk to Dawn Lighting payments must be kept current to maintain uninterrupted service. Should a customer move or decide to terminate the agreement prior to 18 months of service, the customer will be billed for the remainder of the agreement. In the event of a home sale, the new owner may assume the remainder of this agreement. Service is non-transferable from one location to another.

RULES AND REGULATIONS

Service hereunder shall be subject to the Company Rules and IURC Rules.
