No. 1 of 1 Sheet

TO WHOM AVAILABLE

This is a rate available to marketers and/or suppliers of natural gas. Service under this rate shall only be available to marketers or gas suppliers who enter in a nomination exchange transaction with any customer receiving transportation service from the Company under Rate Schedules 428, 430, and 438.

CHARACTER OF SERVICE

In order to provide suppliers and marketers with more flexibility in the supply management of end-use customers, the Company will allow suppliers and marketers to exchange gas between each other or their authorized agents at the City Gate and thus adjust their scheduled transportation receipts and deliveries on the Company's system up to two (2) hours prior to the end of each gas day.

Each marketer and/or supplier (the Buyer and the Seller) will be charged fifty dollars (\$50.00) for each day in which they make trades. Trading between Customers is limited to Customers in the same Zone and must result in no change in confirmed scheduled nominations at the City Gate between the Company and delivering pipelines. The Company will accept prearranged buy/sell transactions between parties provided both parties or their authorized agents provide the Company binding acknowledgment of such trade by the trading deadline. The Company will not take title to any Customer-owned gas, which is exchanged under this service, and all transactions will occur at the City Gate. The Company must receive binding confirmation from all marketers and suppliers involved in an exchange transaction prior to the exchange deadline.

CONTRACT

Any marketer and/or supplier requesting service hereunder shall enter into a written contract with the Company for such period as shall be mutually agreeable to the parties.
