DELIVERY OF GAS TO AND BY THE COMPANY (continued)

The Company is making available a Maximum Daily Injection (MDI) quantity of 400,000 Therms per day for all Qualifying Customers in total under this Rider. The MDI will be allocated among the Qualifying Customers with signed Service Agreements for service on May 1 of each year. The initial annual allocation will be predicated upon the Qualifying Customers' immediately preceding calendar year throughput consumption. Between May and October of each year, Company, at its sole discretion, will make available to Qualifying Customers and third party suppliers any unreserved storage capacity remaining under this Rider subject to the Rate provisions of this Rider.

Injections are permitted by pre-scheduling said injections any day in the period beginning June 1 and ending October 31, within the following tolerances: (1) during the months of June and July, Qualifying Customer may inject, on any day, an amount up to 100% of their MDI quantity; (2) during the month of August, Qualifying Customer may inject, on any day, an amount up to 150% of their MDI; and (3) during the months of September and October, Qualifying Customers may inject, on any day, an amount up to 200% of their MDI. A Qualifying Customer's full capacity equals the Qualifying Customer's allocated MDI times 100. Additionally, the Company will allow the Qualifying Customers to inject pre-scheduled quantities of gas up to their daily MDI quantity during the months of November through March. Said injections during any month during the months of November through March will be limited to six times each Qualifying Customer's MDI quantity. Qualifying Customer may request, and the Company, in its sole discretion, may accept pre-scheduled injection quantities greater than six times the MDI during the months of November through March.

A Maximum Daily Withdrawal (MDW) quantity of 2,000,000 Therms per day for all Qualifying Customers in total under this Rider will be allocated in the same manner as the MDI. Withdrawals are permitted by pre-scheduling said withdrawal any day in the period beginning November 1 and ending March 31. Additionally, pre-scheduled withdrawals will be allowed during the period of June 1 to October 31 with the following restrictions: (1) during the month of June, Qualifying Customers may withdraw, on any day, an amount of their storage gas up to 50% of their MDI quantity; (2) during the months of July through October, Qualifying Customers may withdraw, on any day, an amount of their storage gas up to 100% of their MDI quantity; and (3) in any month during the months of June through October the maximum monthly withdrawal quantity will be limited to six times the Qualifying Customer's MDI quantity. Qualifying Customer may request, and the Company, in its sole discretion, may grant pre-scheduled withdrawal quantities greater than six times the MDI during the months of June through October. If all of a Qualifying Customer's gas is not withdrawn by April 1 of any year, the Qualifying Customer shall again pay the Injection Charge applicable as determined for the following year on any such remaining balance and such balance shall be considered as a portion of the Qualifying Customer's allocated MDI.

DELIVERY OF GAS TO AND BY THE COMPANY (continued)

In the event that Qualifying Customers and third party suppliers have not reserved the maximum annual storage quantity of 40,000,000 Therms available under this Rider by October 31, the Company, in its sole discretion, may sign an agreement with Qualifying Customers and third party suppliers to sell gas in storage and unreserved capacity, in November, up to the maximum annual storage capacity. Rates for gas supply and storage capacity under this Rider are set forth in the Rate provisions of this Rider.

RATE

Customer Charge

\$25.00 per month for ten (10) months beginning June and ending March each year.

Reservation Charge

The Reservation Charge will be a negotiated charge per Therm allocated by MDI Therms per month for ten (10) months beginning June and ending March of each year, such charge to be set forth in each Qualifying Customer's Service Agreement.

Injection Charge

The Injection Charge will be a negotiated charge per Therm for all gas delivered to the Company for storage service, such charge to be set forth in each Qualifying Customer's Service Agreement.

Withdrawal Charge

The Withdrawal Charge will be a negotiated charge per Therm for all gas withdrawn from the Company's storage service during periods of normal operation of the Company's distribution system, such charge to be set forth in each Qualifying Customer's Service Agreement.

In the event the Company determines it is necessary to obtain and supply gas from sources other than the Company's underground storage facilities, the Company may elect to increase the Withdrawal Charges.

In the event of such an increase, the Qualifying Customer shall be notified and will have the option to discontinue withdrawal during this period.

The above rates per Therm for the Reservation Charge, Injection Charge, and Withdrawal Charges shall be negotiated annually prior to April 1 between Company and Qualifying Customer or third party supplier within the parameters set forth above. Negotiated rates shall remain in effect for the entire contract year.
