Other Charges

A Choice Supplier shall be billed such other charges as may be applicable from time to time, including but not limited to charges related to the use and/or assignment of the Company's upstream capacity and an unaccounted for gas adjustment set forth in Appendix E for all gas delivered by Company on behalf of the Choice Supplier.

SUPPLIER PERFORMANCE REQUIREMENTS

Choice Supplier shall post either a cash deposit or irrevocable letter of credit from an issuer meeting the Company's approval in order to ensure Choice Supplier's performance of its contractual obligations. The Choice Supplier agrees that the Company shall have the right to access and apply the cash deposit or draw on the letter of credit in an amount equal to any payment obligations owing to the Company. In lieu of a cash deposit or letter of credit from the Choice Supplier, the Company may, in its sole discretion, agree to accept a parent guaranty from the Choice Supplier's parent company.

The amount of the cash deposit or irrevocable letter of credit will be based upon the maximum aggregate daily delivery obligation of the Choice Supplier for a ten (10) day average period.

Choice Supplier shall provide a written affidavit certifying to the Commission and, simultaneously, a copy to the Company, that it has adequate firm supplies under agreement to meet its customers' aggregate firm daily Demand and firm annual Demand.

In the event that there is a good faith dispute between the Choice Supplier and the Company as to whether the Choice Supplier satisfies the requirements of this provision, the Choice Supplier may file a complaint with the Commission asking the Commission to resolve the dispute with the Company as to whether it, in fact, is a "qualified supplier" within the meaning of the Tariff.

Alternatively, in lieu of filing a complaint with the Commission, the Choice Supplier and the Company may, by mutual agreement, seek a resolution of the good faith dispute through binding arbitration.
