In consideration of the mutual benefits to be derived from the Contractor's participation in the Company's Trade Ally Program and/or other programs which the Company may, from time to time, sponsor (collectively, "Program"), and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the Company and Contractor agree as follows:

Contractor's participation in any current or future Program shall be governed by the terms of this Agreement.

- c. The Contractor and its subcontractors and agents shall obtain, pay for, possess and post all licenses and permits necessary to perform Services;
- d. Any Services performed by the Contractor, its subcontractors or agents which violate any applicable law, licensing or permitting requirement, ordinance, code, rule, regulation, or industry norm or practice shall be promptly repaired and remedied by Contractor at no cost to the Company or the customer;
- e. Contractor is responsible for obtaining all necessary supervision; inspections, installation equipment, labor, materials and tools with respect to the Services;
- f. Any fees, fines, penalties, or damages which result from or relate to the Contractor's or its subcontractors or agents performance of Services or failure to perform in accordance with the provisions of this Agreement will be promptly paid in full by Contractor without liability to the Company or customer;
- g. Contractor, its subcontractors and agents shall purchase and maintain a minimum of: (i) \$1,000,000 (one million dollars) of general commercial liability (including completed operations and contractual liability) insurance per occurrence, such policy shall be an Occurrence Type (versus claims-made) policy; (ii) a \$1,000,000 (one million dollar) general liability umbrella/excess policy; (iii) \$300,000 (three hundred thousand dollars) of general automobile liability insurance on any vehicles used to provide Service; and (iv) statutory Workers' Compensation insurance. Within 10 days hereof, the Contractor shall have its insurer furnish to the Company certificates of insurance evidencing the insurance coverage required above.

Contractor shall maintain such required insurance coverage for at least three (3) years from the termination or expiration of this Agreement. Every contract of insurance providing the coverage required in this provision shall contain the following or equivalent clause: "No reduction, cancellation or expiration of the policy shall be effective until thirty (30) days from the date written notice thereof is actually received by Northern Indiana Public Service Company." Upon receipt of any notice of reduction, cancellation or expiration, the Contractor shall immediately notify the Company. Contractor shall adhere to guidelines/procedures on the proper use of any forms, contracts, logos or advertisements supplied by Company, if any, relating to any Program offering.
- m. Contractor agrees that any representations or warranties extended by it, its subcontractors or agents to any customer shall be its sole responsibility.
- n. Without limiting the foregoing, Contractor shall comply with any and all applicable laws, rules and regulations pertaining to the security, confidentiality, privacy and proper disposal of customer information in its possession or control. Contractor shall employ technical, physical, and administrative safeguards as are necessary to protect the security, confidentiality and privacy of customer information and such safeguards shall be no less than the measures that Contractor employs to protect its own confidential or sensitive information.

II. INDEMNIFICATION

To the fullest extent permitted by law, the Contractor agrees to indemnify, defend and hold harmless the Company and its agents, employees and affiliates against any and all liability, suits, damages, claims and costs, including, but not limited to, reasonable attorneys' fees, arising in whole or in part, from the actions or inactions (including, but not limited to, any breach of this Agreement) by the Contractor or its officers, agents, employees or subcontractors. Contractor's obligation to indemnify, defend and hold harmless shall survive the termination or expiration of this Agreement. In the event that the Contractor enters into an agreement with subcontractors or agents (or otherwise retains a subcontractor or agent) the agreement with each subcontractor or agent must (i) as set out above, provide for the indemnification, defense and release of the Company, its agents, employees and affiliates to the fullest extent permitted by law, and (ii) bind the subcontractor/agent to the terms and conditions of this Agreement. Even if an agent or subcontractor performs Services, the Company shall have, to the fullest extent permitted by law, full recourse against the Contractor for any subcontractor or agent breach or required indemnification, defense or release.

III. INDEPENDENT CONTRACTOR

The Contractor and all of its employees, officers, subcontractors and agents shall furnish Services under any Program as independent contractors and not as an employee or agent of the Company. IV. TERM/TERMINATION

This Agreement shall be effective as of the Effective Date and shall terminate on February 28, 2026. Contractor agrees that the Company shall have the sole discretion with regard to: (i) Contractor admittance into any Program and; (ii) termination of participation therein (and all associated benefits) upon providing Contractor with written notice as Company may elect without further recourse by Contractor or liability of the Company. Upon providing the Contractor notice, Company reserves the right to modify or terminate a Program or this Agreement to whatever extent it may deem appropriate at any time without further recourse by the Contractor or liability of the Company. During the term of this Agreement, Contractor shall provide to the Company

satisfactory evidence that it continues to be fully licensed and insured, consistent with the terms of this Agreement. In addition, Contractor shall provide to the Company satisfactory evidence that it continues to be fully licensed and insured, consistent with the terms of this Agreement within fifteen (15) days of any request by the Company for any such evidence.

V. OTHER PROVISIONS

Contractor hereby authorizes the Company at anytime during the term of this Agreement to obtain Contractor’s complete credit histories and reviews. Without limiting the Company’s rights under Section IV, the parties agree that this Agreement may only be amended by a written instrument signed by an authorized representative of the Contractor and the Company. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of Indiana. The courts of Indiana shall have exclusive jurisdiction to hear any dispute or controversy concerning or arising from this Agreement. In the event of any litigation resulting herefrom, if the Company is the prevailing party, it shall be entitled to reasonable attorneys’ fees and costs.

This document constitutes the entire Agreement between the Company and the Contractor concerning the subject matter hereof. Appendices A & B and any documents referenced herein are an integral part of this Agreement. This Agreement replaces any previous agreements between the Company and Contractor with regard to any Program; provided, however, each of the party’s obligations with respect to any Services/work undertaken prior to the date hereof shall remain in full force and effect.

This Agreement may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute one and the same instrument. This Agreement may be executed by facsimile or .pdf signatures which the Company and Contractor agree shall be as legally binding as original signatures.

This Agreement shall not be interpreted either more or less favorably toward any party by virtue of the fact that such party or its counsel was responsible or principally responsible for the drafting of all or a portion hereof. Captions and headings are for convenience only and shall not affect the interpretation hereof.

No assignment or delegation of this Agreement shall be valid without the prior written consent of the Company and the Contractor; however, the Company may assign this Agreement to any of its corporate affiliates without Contractor’s consent.

Waiver by the Company or the Contractor, in any one or more instances, of any term, condition, or provision of this Agreement shall not be considered a waiver of such provision(s) in the future or any other term, condition, or provision.

IN WITNESS WHERE OF, the Parties have executed this Agreement as a contract under seal, by and through their respective duly authorized representatives, as of the effective date first above written.
